All You Need To Know.

Your vehicle needs service:

(c) When the change oil light/message illuminates on the dashboard of many 2004 GM vehicles.

Get only what you need, only when you need it.

Our worry-free [Simplified Maintenance](#):

- Removes the guesswork from vehicle maintenance
- Calculates your needs for you
- Provides efficiency and convenience
- Protects the environment from unnecessary oil waste

Here's how it works:

Check your Owner's Manual or ask us if your vehicle is equipped for Simplified Maintenance. If it is, here's all you have to do. Each time your change oil light/message signals that your vehicle needs maintenance, go right to a Mr. Goodwrench service technician who will provide:

- Lube, oil, and filter change
- Tire rotation, plus check of tire pressure and wear
- Inspection of brakes and other operating systems, plus fluid and coolant levels
- Additional inspections and services based on specific needs of your vehicle as detailed in your Owner's Manual

All you have to do is keep your fluids at the proper level and check your tires for wear and proper inflation.

Simplify your life.

When you see the light, go right to Mr. Goodwrench.

The one and only GM expert.
